

Registered Early Childhood Educator (RECE) or Early Childhood Assistant (ECA)

Job Type: Full Time, Part-time, Monday to Friday. **No split shifts.**

We know and appreciate the important work you do in preparing the next generation. The events of the past few years have only served to highlight how critical ECEs are. We, at Atelier Kids, have known this for some time.

Atelier Kids is a Reggio-inspired childcare centre in High Park. We pride ourselves in offering a homelike environment, but still delivering on educational excellence for our community. We have a Forest School and Urban Gardening Curriculum in addition to our world-class Reggio-inspired philosophy. We just opened our second location, our Senior Campus at 21 Quebec, just steps away from our original location, the Junior Campus at 15 Oakmount. Great things are happening!
